GOVERNMENT OF RAJASTHAN
RAJASTHAN NEET PG MEDICAL ADMISSIONS/COUNSELLING BOARD – 2026
SMS MEDICAL COLLEGE, JAIPUR

Dated: 24.11.2026

NOTICE
RAJASTHAN NEET PG COUNSELLING 2026
PROVISIONAL ROUND 2 SEAT ALLOTMENT RESULT

All concerned candidates participating in Rajasthan State NEET PG Medical Counselling 2026 are hereby informed that, following publication of the Indicative Round 2 Seat Allotment Result and completion of the notified grievance submission window, the **Provisional Round 2 Seat Allotment Result** for admission to postgraduate medical courses (MD/MS/Postgraduate Diploma, wherever applicable) for the academic session 2026–27 is being published on the official PG counselling portal (available on the PG counselling portal https://pg.neetrajasthan.com).

The present Provisional Round 2 Seat Allotment Result has been prepared after consideration of the grievances/representations received within the notified timeline, wherever found admissible and relevant, and examination of the available records. The allotment has been processed with reference to the applicable counselling rules, regulations and schedule; NEET PG merit/rank; prescribed eligibility conditions; applicable roster; applicable category and reservation provisions; verified candidature and documents wherever available; choices/preferences submitted by candidates; applicable seat matrix; and relevant directions and inputs of the competent authorities.

IMPORTANT INSTRUCTIONS AND CONDITIONS

1. **Nature of the Provisional Result:** The present Round 2 Seat Allotment Result is provisional and subject to verification, scrutiny, reconciliation, correction and further revision, wherever required, in accordance with applicable rules, regulations, government orders, counselling instructions and directions of the competent authority or a court of law.
   This result supersedes the earlier Indicative Round 2 Seat Allotment Result to the extent of the changes incorporated after consideration of grievances and the relevant records. It shall not be construed as a final or irrevocable determination of a candidate's eligibility, candidature, category, reservation claim or entitlement to admission.

2. **Consideration of Grievances:** The grievance submission window notified in connection with the indicative result has concluded. The grievances/representations received within the prescribed period have been examined and considered in accordance with the applicable procedure, to the extent found relevant and admissible. The present result reflects the changes, if any, considered necessary at this stage following such examination. Non-incorporation of a requested change shall not, by itself, imply acceptance of the grievance or confer any additional entitlement upon the candidate. The closure of the grievance window shall not prevent the Board or competent authority from undertaking any further verification, correction or consequential action where required under applicable rules, law or binding directions.

3. **Basis of Allotment:** The allotment has been processed in accordance with the applicable counselling framework, NEET PG merit/rank, prescribed eligibility criteria, category and reservation provisions, applicable service/in-service or other special eligibility provisions wherever relevant, candidate choices/preferences, seat availability and the notified seat matrix. An allotment displayed in the result remains subject to verification of relevant records and compliance with all applicable admission requirements. No departure from the governing rules or prescribed merit-based allocation framework shall be inferred merely from publication of an allotment.

4. **Verification of Eligibility and Documents:** Every candidate shall remain responsible for satisfying the prescribed eligibility conditions and producing valid supporting documents, including original documents wherever required, at the prescribed stage.
   The Board and competent authorities/institutions may verify or re-verify, as applicable:
   - NEET PG qualification, merit/rank and candidature particulars;
   - MBBS qualification, internship completion and other prescribed academic eligibility;
   - Medical registration and other statutory/professional requirements;
   - Category, reservation, domicile and other applicable eligibility claims;
   - PwBD status, wherever applicable;
   - In-service status, service particulars, eligibility and supporting certificates, wherever applicable;
   - NRI or other special category claims, wherever applicable; and
   - Any other document, declaration, certificate or undertaking required under the applicable counselling framework.

   Any allotment found to be based on incomplete, incorrect, inconsistent, invalid, misleading or unverified information shall be liable to appropriate correction, revision or cancellation, as permissible under applicable rules and law.

5. **No Vested Right or Guarantee of Admission**: The provisional allotment shall not, by itself, confer any vested, absolute or indefeasible right, claim or equity to a particular seat, college, speciality, course or admission. Final admission shall remain subject to fulfilment of all applicable eligibility requirements, verification of original documents, prescribed fee payment, reporting/joining within the notified timeline and completion of all other formalities prescribed by the Board, the allotted institution and competent authorities. Participation in counselling, submission of choices, publication of merit, display of an allotment, downloading of an allotment letter, payment of a fee or reporting at an institution shall not cure any underlying ineligibility or dispense with a mandatory requirement under applicable rules.

6. **Correction, Revision, Withdrawal or Cancellation:** The Board reserves the right, subject to applicable rules and law, to verify, scrutinise, reconcile, correct, modify, revise, withdraw or cancel an allotment or take other appropriate consequential action wherever warranted, including in cases involving:
   - Discrepancies in candidate particulars, NEET PG merit/rank or counselling data;
   - Eligibility deficiencies or failure to satisfy prescribed admission criteria;
   - Incorrect, invalid, incomplete, misleading or misrepresented documents or information;

- Errors in category, reservation, domicile, service/in-service status, PwBD or other applicable claims;
- Discrepancies in choices/preferences or their processing;
- Changes, corrections or reconciliation in the seat matrix or seat availability;
- Technical, clerical, computational, data-processing or administrative errors; or
- Applicable government orders, regulatory directions or orders of a competent authority or court.

Any such action shall be undertaken in accordance with the governing framework. Publication of the present result shall not preclude a lawful correction or consequential action.

7. **Allotment Letter and Further Admission Formalities:** Candidates allotted a seat shall download the official allotment letter through the prescribed portal/process when made available and carefully follow the instructions contained therein and in the applicable counselling schedule. The allotment letter, if issued, shall remain subject to applicable eligibility requirements, verification of original documents, prescribed fee and other admission formalities. It shall not be treated as an unconditional or irrevocable confirmation of admission.
   Candidates shall comply with all applicable instructions concerning reporting, joining, fee payment, submission of documents, bonds/undertakings, service-related requirements wherever prescribed, and other admission formalities within the notified deadlines.

8. **Reporting and Joining:** Candidates shall report to the allotted institution or designated reporting venue only in accordance with the official allotment letter, reporting instructions and notified schedule. Candidates must complete the prescribed reporting and joining formalities within the applicable timeline. Failure to report, join, submit required documents or complete prescribed formalities may result in consequences under the applicable counselling rules, including treatment of the allotted seat in subsequent counselling rounds, wherever prescribed.
   Publication of the provisional result alone shall not be treated as completion of reporting or joining, nor shall it authorise a candidate to claim admission without fulfilment of the prescribed requirements.

9. **Upgradation, Resignation and Participation in Subsequent Rounds:** The consequences of Round 2 allotment, including treatment of any previously allotted or joined seat, upgradation, resignation, eligibility for subsequent rounds and any applicable fee refund, forfeiture or other financial consequence, shall be governed exclusively by the applicable counselling scheme, rules, official notices and directions of the competent authority. Candidates shall carefully review the applicable provisions before exercising any option or taking any action. No entitlement to retain multiple seats, retain a previous seat, participate in a subsequent round or receive a refund shall arise merely from publication of this result. The applicable rules shall govern each such matter.

10. **Seat Matrix and Seat Availability:** Allotment is subject to the seat matrix and seat availability applicable to the relevant round, as approved or notified by the competent authority. Any addition, withdrawal, correction, change or reconciliation in the seat matrix, including changes arising from regulatory approval, recognition, permitted seat

intake, institutional status or competent-authority directions, may necessitate consequential action in the allotment process, wherever permitted under the applicable framework. No candidate shall claim an unconditional right to a seat solely on the basis of an earlier seat matrix or provisional allotment inconsistent with the applicable final records and directions.

11. **Accuracy of Candidate Information:** Candidates shall ensure that their registration details, personal particulars, NEET PG information, academic eligibility, category/reservation claims, service/in-service particulars wherever applicable, documents and choices are accurate and complete. Any suppression of material information, misrepresentation, discrepancy or failure to satisfy applicable conditions may result in action under the relevant rules, including correction or cancellation of allotment/admission, wherever permissible. The Board's processing or publication of an allotment shall not be construed as a waiver of any mandatory eligibility condition or as acceptance of a claim that remains subject to verification.

12. **Bond, Service Obligations and Institutional Requirements:** Where applicable, candidates shall comply with the prescribed bond, service obligation, surety, undertaking, fee, stipend-related or other requirements notified by the Government, competent authority or allotted institution. The applicability, execution, validity and consequences of any such requirement shall be governed by the relevant government orders, notifications, rules and official instructions. Publication of an allotment shall not be construed as exemption from any applicable bond, service obligation or institutional requirement.

13. **Official Website and Candidate Responsibility:** Candidates are advised to regularly visit the official PG counselling portal (https://pg.neetrajasthan.com) for result updates, allotment letters, notices, schedules, reporting instructions and other official communications. Candidates shall be responsible for checking the applicable notices and completing the prescribed processes within the notified timelines. Non-receipt of an email, telephone call or other individual communication shall not, by itself, extend a deadline or exempt a candidate from compliance with an officially notified requirement, subject to applicable rules and law. Candidates should retain copies of their allotment letter, fee receipts, submitted documents, declarations and relevant acknowledgements for their records.

14. **Applicable Rules, Orders and Directions:** The counselling process and all allotments shall be governed by the applicable NEET PG counselling rules and regulations, relevant NMC and other regulatory requirements, government notifications/orders, eligibility and reservation provisions, the prescribed counselling schedule and directions issued by competent authorities or courts of law. Where a subsequent valid order, revised result or competent direction requires a change, the necessary consequential action shall be taken in accordance with applicable law. In the event of inconsistency, the governing law and binding competent-authority or judicial directions shall prevail.

15. **No Assurance Beyond the Governing Framework:** Neither publication of this result nor any associated communication shall be construed as an assurance that a particular allotment will remain unchanged irrespective of verification, reconciliation, eligibility

requirements or applicable directions. The Board shall process and administer counselling in accordance with the governing framework. Any necessary correction or consequential action shall be taken subject to applicable rules and law.

16. **Final Admission Remains Subject to Compliance:** The allotment process and the admission process are distinct stages. A candidate shall be considered admitted only upon fulfilment of applicable conditions and completion of the prescribed admission formalities by the competent institution/authority. Any provisional allotment or subsequent admission found to be inconsistent with applicable eligibility conditions, verified records, seat matrix, counselling rules, regulatory requirements or competent directions shall be dealt with in accordance with applicable rules and law.

DISCLAIMER
PROVISIONAL ROUND 2 RESULT: SUBJECT TO VERIFICATION, RECONCILIATION, CORRECTION AND REVISION.

The Round 2 Seat Allotment Result is provisional and shall be read subject to applicable eligibility conditions, NEET PG counselling rules, regulatory requirements, government orders and directions of the competent authority or a court of law. The earlier Indicative Round 2 Seat Allotment Result stands superseded only to the extent of the changes incorporated in the present result. No vested, absolute or indefeasible right, claim or equity to a seat, college, speciality, course or admission shall accrue solely on the basis of the indicative or present provisional result. Any allotment or admission subsequently found to be inconsistent with applicable eligibility requirements, verified records, seat matrix, counselling rules, regulatory requirements or competent directions shall be liable to appropriate consequential action, including revision or cancellation, wherever permissible under applicable rules and law. Nothing in this notice shall be construed as excluding or restricting any remedy available under applicable law or the jurisdiction of a competent court. Candidates are advised to carefully read the applicable counselling instructions and comply with all prescribed requirements and timelines. For queries or issues, candidates may contact the designated Rajasthan NEET PG Counselling Support Helpline or use the official grievance/query redressal mechanism, as notified on the counselling portal.

For any queries or issues, please reach out to the Rajasthan PG Counselling Support Helpline or write to pg.support@neetrajasthan.com
